Choreographer 編舞:  
Michael Lopez

Director 導演:  
Cha Delacruz

Written in collaboration with the cast (15 Filipino migrant workers), Internet Café is a timely play about the real life experiences of email-order brides, the existence of whom arises out of modern day globalization which does businesses through cyberspace. The play presents the sad realities in life faced by these women who have been trapped in a world of consumerism and great disparity between the rich and the poor countries.

AMTC presents the play in creative drama, songs, creative dance and movements and poetry.

導演與十五位菲律賓外勞演員共同合作編劇，揭露電郵新娘的辛酸血淚，反映世界上出現的貧富懸殊、和全球化推動的消費和物質主義。

一齣充滿創意的音樂、舞蹈、詩歌朗誦的表演
